

## THE G7TH RANGE OF CAPOS

**The G7th Nashville Capo**

Introducing the latest addition to the G7th family. The Nashville is a spring operated capo which is lighter and quicker to use than the competition. Add this to the great G7th styling and we think we're onto a winner! Available in silver.

Bruto adviesprijs (incl. BTW) € 22,50

**The G7th Performance Capo**

The original performance capo. For 6-string acoustic and electric guitars, also works on most 12-string guitars up to the 5th fret (although G7th now make a dedicated 12-string capo - see below).

Bruto adviesprijs (incl. BTW) € 39,00

**The G7th 12-String Performance Capo**

A performance capo designed specifically for 12-string guitars. Features a longer arm than the standard model - for wider fingerboards - and a specially formulated rubber to apply even pressure to the octave strings.

Bruto adviesprijs (incl. BTW) € 39,00

**The G7th Classical Performance Capo**

A performance capo designed specifically for nylon string classical guitars. Features a longer arm and a flat profile to fit a classical guitar fingerboard.

Bruto adviesprijs (incl. BTW) € 39,00
